“Today’s announcement by Senate President Atwater and House Speaker Sansom regarding their joint decision to forgo CBIR earmarks in the budget underscores their commitment to put fiscal responsibility and the economic well-being of Floridians at the top of their agendas,” stated Leader Hasner. “I commend President Atwater and Speaker Sansom for their commitment.”

“We understand that every dollar is precious and must be spent wisely. We are committed to taking serious action to deal with a serious budget problem. President Atwater and Speaker Sansom are leading the charge as we take on wasteful and excessive spending in the system by eliminating earmarks like the CBIRs and reducing government inefficiency.
